Bangalore dated 28th February 190.
3rd March

From

P. N. Purnaiya Esq. B.A.
Excise Commissioner
in Mysore.

To

H. V. Nanjundaiya Esq. M.A., M.L.,
Secretary to Government of
H. H. the Maharaja of Mysore.

Sir,

In submitting herewith the record of enquiry relating to the Toddy revenue of Jajurayanahalli Godi village, Pavagada taluk, I have the honor to state that I concur in the investigating Officer's opinion that the Godidar is entitled to Excise Revenue from Toddy.

2. The Inam Assistant who investigated the case, states in para 4 of his remarks in the Settlement Register - "Under the head Abkari was included till the introduction of the Smaller Distillery System, the revenue derived from a still established in the village, and from the retail vend of Arrack. Since the above mentioned date, the item consists only of the tax levied on a toddy shop kept in the village." In the Inamdar's

Inamdar's statement of revenue embodied in the Settlement Register, revenue from Abkari for ten years from 1859 to 1868 is shown. The personal Assistant to the Inam Commissioner states in his review in column 20 of the Settlement Register - "From the Takids of the Fouzdar dated in 1828 and of the Amaldar dated in 1846, the right of the Inamdars to levy the payer and Abkari appears to have been recognised, and the exercise of it permitted up to 1864; since then the payer item ceased to exist in the village. No compensation appears to have been paid at the time when the right to vend Arrack was resumed by Government on the introduction of the Sudder Distillery System. The other Chillerah babs or sundry items of revenue may be left to the Inamdar, and I think he knows too well that any taxes which are abolished in the Government villages, if continued in his own village, would terminate in his ultimate loss by the desertion of his tenants. There seems to me to be no objection to the Jodidars obtaining rent for the use of the ground on which

Encl. to S. 1.

"which today or Arrack stops are held.
"The Motaturfa may be left to the
Inam dars, and they can fell all
description of timber without the
permission of the Forest Department,
"excepting the teak and sandal
trees growing in the village". On the
21st November 1871 the Superintendent
of Inam Settlement has
recorded in the Inam Settle-
ment Register - "I concur in the
Special Assistant's review confirmed
"on combined grant of Rs. 57/- subject
"to Local fund and irrigation cesses.
"Sayer and Abkari are reserved, as also
"the right to sandal and teak."
But in the final Rent Register
sent by the Superintendent of Inam
Settlement to the Deputy Commis-
sioner, Tumkur District, the following
items of revenue are shown in
favour of this village, under the
head - "Items of revenue granted
to the Inam dars": -

1. Land. 2. Motaturfa.
3. Amarogi. 4. Sayer.
5. Abkari. 6. Salt.
7. Miscellaneous.

3. Authenticated copies of the
Sanmad of 1816 and Taksed of 1846 and
order

order of 1828 referred to in the Inam Settlement Register, have been produced. In none of them toddy revenue is mentioned; but from the particulars recorded in the Settlement Register, it is apparent that both arrack and toddy were included in the Beriz of the village.

4. The godidar's enjoyment of toddy revenue both from the shop and date trees, from the year 1867-68 to 1890, has been proved by documents Ferist Nos: (3), (4), (6), (7), (8), (9) and (10) on the file.

5. The Amildar of the Pavagada taluk in his report No. 25, dated 7th July 1892 (Ferist No. 17), states that there is nothing to show that the toddy revenue of this village was ever derived by Government; that in the Statements of Inamdars revenue for five years prepared and submitted to the District in the years 1888, 1890 and 1891, the toddy revenue is shown to have been enjoyed by the godidar of the above village; that on the application of the godidar, the Deputy Commissioner issued

Issued a license to the toddy shop
of his village in the year 1878-79;
and that therefore there is no
doubt but that the jodidar is
enjoyed the toddy revenue from
time immemorial.

6. There is both a toddy
shop and a date grove in this
village. Accordingly Excise Revenue
from Toddy is payable to the
jodidar subject to Rules 2, 3 and 9
in Government Proceedings No.
2074-83, dated 2nd August 1901.

Memo of decision passed in re the claim of the Jodidars of the below noted village to the Joddy revenue thereof

Jode Jayrayanahalli village

The Inamdar has not produced his title-deed, but there is no doubt it was lost during the peregrinations of the family. The Inamdar has however proved long enjoyment and the Inam Superintendent has recognised his right to Excise Revenue. There is a shop in the village and the Inamdar has produced records covering nearly 30 years from 1867 showing uninterrupted enjoyment. I have no doubt but that this enjoyment has been coeval with the grant of the village. During the years 1892-93 to 1896-97 the amount due to the Inamdar is 3600 Rupees.

For 1897-98 the Inamdar is entitled to 500 Rupees. For the years 1898-99 to 1900-1901 the Inamdar is entitled to 2383 Rupees. The total due to the Inamdar for 1892-93 to 1900-1901 is 6283 Rupees. The amount advanced

as 4100 Rupees and I am and the balance
of Rupees 1806-03 and Excise Revenue
